EMERGYS

# HOW **SALESFORCE** NEW REVENUE CLOUD IS CHANGING THE GAME

## Redefining the Future of Revenue Management

01

**UNIFIED REVENUE PLATFORM**
Brings sales, pricing, billing, and finance together in one system.

02

**CRM-NATIVE REVENUE FLOW**
Manages the entire revenue journey directly inside Salesforce CRM.

03

**AI-POWERED CPQ**
Creates faster, more accurate quotes with intelligent pricing & approvals.

04

**FLEXIBLE SUBSCRIPTIONS & CONTRACTS**
Supports subscription, usage-based, and hybrid revenue models.

05

**AUTOMATED BILLING & INVOICING**
Generate accurate invoices automatically from orders & contracts.

06

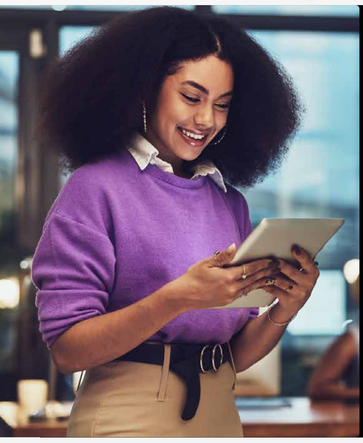
**BUILT-IN REVENUE RECOGNITION**
Ensure compliant and accurate revenue reporting with minimal effort.

07

**SEAMLESS RENEWALS & AMENDMENTS**
Simplifies renewals, upgrades, and changes to boost retention.

08

**AI-DRIVEN INSIGHTS & FORECASTING**
Delivers real-time visibility and smarter revenue predictions.



## THE BIG IMPACT

- **30-40%** Faster deal cycles
- **Predictable** recurring revenue
- **Real-time** visibility
- **End-to-end** automation
- **Better customer** experience

***Transform revenue into a growth engine with Salesforce Revenue Cloud, powered by Emergys' expert implementation.***
