EMERGYS

RISE MIGRATION
ACCELERATING VALUE WITH OPTIMIZED INVESTMENT

SEAMLESSLY MOVE TO RISE WITH SAP

We're excited to announce an exclusive Migration Offer, designed to accelerate digital transformation and ERP modernization program. Whether you're running ECC or SAP S/4HANA on-prem, now is the time to accelerate your RISE transformation journey with expert support, faster timelines, and simplified migration execution.

MIGRATION OVERVIEW

WHAT'S INCLUDED

- System assessment and readiness check
- Migration planning & execution
- Including DB migration
- Cutover planning & testing support
- Grow with SAP assessment

WHAT'S NOT INCLUDED

- Functional redesign or new module implementations
- SAP licenses / RISE subscription costs
- Third-party integrations or enhancements
- Data migration limitations

ELIGIBILITY CRITERIA

Program is only for SAP ECC or S/4HANA on-prem customers for RISE with SAP Journey.

Customer must sign a multi-year AMS contract with a guaranteed Y-o-Y TCO reduction for a multi-year support.

Project kickoff within 45 days of confirmation.

"Rise with SAP" license subscription to be procured separately via Emergys as VAR partner.
